("PrairieSky"), a wholly-owned subsidiary of Encana, at \$28.00 per common share ("Offering Price") for aggregate gross proceeds to Encana of approximately \$1.46 billion. PrairieSky has filed the final prospectus dated May 22, 2014 ("Final Prospectus") in respect of the Offering with the securities commissions or similar authorities in each of the provinces and territories of Canada.

The Offering is expected to close on May 29, 2014 ("Closing"). Completion of the Offering is subject to, and conditional upon, the receipt of all necessary approvals, including regulatory approvals. Following Closing, Encana will own 60% of the common shares of PrairieSky (prior to any exercise of the over-allotment option).

The Toronto Stock Exchange (TSX) has conditionally approved the listing of the common shares under the symbol "PSK". Listing is subject to PrairieSky fulfilling all of the requirements of the TSX.
